

T&A Group Services Inc.

CAPABILITY STATEMENT

T&A Group Services Inc. is a Charlotte, North Carolina-based small business providing professional landscaping, ground maintenance, and exterior property services to **federal, state, local, and municipal agencies**, as well as commercial and residential clients. Since 2009, we have earned a reputation for dependable service, quality workmanship, responsive communication, and exceptional customer care. As a **SAM.gov Registered Contractor**, we are committed to delivering reliable, cost-effective solutions while meeting government performance standards, safety requirements, and contract compliance obligations.

CORE COMPETENCIES

T&A Group Services provides reliable, cost-effective exterior property maintenance solutions that help government agencies and commercial organizations maintain safe, attractive, and professionally maintained facilities.

- Commercial, municipal, and government grounds maintenance
- Lawn mowing, turf management, and vegetation control
- Landscape installation and enhancement
- Storm cleanup and emergency response services
- Preventative maintenance programs for government and commercial facilities

DIFFERENTIATORS

- Serving the Charlotte region since 2009 with 300+ clients served.
- Currently maintaining 120+ active customer relationships, many spanning 15+ years.
- 16+ years of proven landscaping and grounds maintenance experience.
- \$1,000,000 bonding capacity to support projects of varying scope
- Direct owner involvement ensures responsive communication, quality workmanship, and contract accountability.
- Documented quality control processes, including work-order tracking, inspections, and service verification.
- Active **SAM.gov Registered Contractor** committed to meeting government performance and compliance standards.
